Release of “Milo Mou Kokkino” by project “One World – One Love – One Dance”

Moscow, Russia – The International Non-Profit Project “One World – One Love – One Dance” announced today the release of the first video production “Milo Mou Kokkino”. The Project “One World – One Love-One Dance” was created to inspire and connect the world through traditional Greek dancing and music. The Project was born from the belief that all participants share the same passion and love for the Greek culture which has the power to transcend boundaries and overcome distances between people.

The participants of the project originate from 7 countries: Dancing Group of the Hellenic Cultural Centre (Moscow, Russia), Greek American Folklore Society (New York City, USA), Grupo Oniramou (Buenos Aires, Argentina), Greek Folk Dancing Qatar (Doha, Qatar), Greek Orthodox Community of S.A. Dance Academy (Adelaide, Australia), The Odyssey Dance Troupe (Ottawa, Canada) and Papadokostas (Heraklion, Greece).

Beside the traditional dancing groups the video has been supported by live musicians from Russia, USA, Australia and Greece.

With a team of contributors from all corners of the planet, everyone involved in the Project “One World – One Love – One Dance” feel the all-encompassing presence.
